CLERK  
U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF  
NEW YORK

It is my opinion from the testimony that your Honor was not privy to my arguments in my papers I submitted and/or did not read my reply affidavit in support of my original motion to dismiss. Moreover, Trustee Pergament went forward without any corporation information putting the cart before the horse and was unaware of corporate filings, officers, resolutions etc. and went forward anyway even hiring his own law firm which has now generated a mountain of legal papers that otherwise should not have been commenced in lieu of the lack of information and why defective petitions are not entertained by the bankruptcy courts.

never researched or filed a bankruptcy before and any other further relief this Honorable Court deems just and proper.
